Others	approx. _____ l

Special order conditions:

Waste and residual materials during the event or during assembly and dismantling must be disposed of professionally in accordance with statutory regulations (Closed Substance Cycle Waste Management Act of 27.09.1994), if necessary at the exhibitor's own expense.

All prices plus VAT at the statutory rate.

The facts and waste quantities stated by the exhibitor will be checked and documented by our waste management consultant during the construction and dismantling phases and during the event.

The quantities actually incurred during and after the event will be invoiced, but at least the registered quantities.

In special cases (e.g. if the registered quantities are significantly exceeded, in the case of unregistered waste and in the case of hazardous waste), **Messe Augsburg shall be entitled to charge the exhibitor different costs, which shall be determined by Messe Augsburg in accordance with § 315 BGB (German Civil Code).**

All regulations and conditions stipulated on this form shall take precedence over the General Conditions of Participation of Messe Augsburg ASMV GmbH and the Special Conditions of Participation of AUGSBOW 2021 with regard to the services ordered here.
